Calling all letter-writers!

Dear Pen Pal

What's a pen pal?

Everyone loves getting mail and having a pen pal is a fun way to meet someone new. You can share information about books, recipes, funny stories and more and communicate via "snail mail."

Our Northern Valley libraries are excited to reinvent this new (old) way to connect!

Fill out the online form and we will randomly match you with a pen pal. Each library will provide a free Pen Pal Kit with cards, envelopes & a pen. Please plan to send three letters to your pen pal by April 1st. After the pandemic is over, we'll have a Pen Pal Party so you can meet your pen pal in person.

This program is open to anyone, including children, teens and adults of all ages.

Participating Libraries:
