About NVSC:

Northern Valley Soccer Club is a 100% volunteer non-profit organization formed by administrators and coaches in Old Tappan, Norwood, Northvale and Harrington Park. The coaches and administrators wanted to create competitive teams chosen by open tryouts for boys and girls at the U8 through U15 playing levels from the four Northern Valley towns and nearby communities. New teams are formed every year based on the tryouts and trainer evaluations. The goal of the club is to develop the skills of the children as well as establish a feeder soccer program to the Northern Valley Old Tappan High School. Professional soccer trainers assist at all levels in our program. Trainers participate by assisting with tryouts, in addition to coaching and training our players and teams. The Northern Valley Soccer Club is dedicated to the development of the finest youth soccer players in the area. Where interest dictates, more than one team may be fielded at a given age group.
